Tehama County Air Pollution Control District Clean Air Funding

Applications are being accepted by the Tehama County Air Pollution Control District for its Rule 2:11D Indirect Source Program Funding starting August 1, 2017. Projects that will be considered for funding include any project that can demonstrate reductions in emissions of ozone precursors such as oxides of nitrogen or volatile organic compounds, or of particulate matter including diesel particulate, smoke and dust. **The application deadline is Tuesday December 31st, 2017.**

Projects will be ranked in accordance with the process specified in District Rule 2:11D.

Applications are available on the District website www.tehcoapcd.net, or by contacting the Air Pollution Control District office at (530) 527-3717.
